have launched a National Horticulture Mission for the development of horticulture in the country including Orissa.

(c) and (d) The Mission would address the development of horticulture duly ensuring end-to-end approach covering production, post-harvest management and marketing. The Mission envisages assistance for promoting production through supply of good quality planting material, coverage of new areas with improved varieties, rejuvenation of senile orchard, integrated pest management, creation of infrastructure for disease forecasting, post-harvest management and marketing.

Setting up of cold storages in Tamil Nadu

504. SHRI C. PERUMAL: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware of acute fall in prices of tomatoes and lemons in Tamil Nadu;

(b) whether it is proposed to assist the State Government suitably in order to set up cold storage units on a war footing to save the produce and also the farmers;

(c) if so, the details thereof; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (DR. AKHILESH PRASAD SINGH): (a) Yes, Sir.

(b) to (d) Assistance® 25% of cost for setting up cold storage units is being provided by the National Horticulture Board under the scheme on "Capital investment Subsidy for Construction/Expansion/Modemisation of Cold Storages for Horticulture Produce." Besides, a Centrally Sponsored Scheme "National Horticulture Mission"(NHM) has been launched which could be availed by the State Government to construct cold storages in potential areas. Under NHM also the project is entrepreneur driven for which the assistance is limited to 25% of the cost of Rs. 2 Crore/unit.
